Dear Marvin,

RE: APPLICATION FOR AN ENTRY-LEVEL SOFTWARE DEVELOPMENT INTERNSHIP

I am an entry-level software developer. I am writing to you seeking an internship opportunity to accelerate my career in tech.

I have visited your website and interacted with individuals from social Lend Africa. I am impressed by social Lend Africa services like democratizing lending and easing access to credit and being part of the team would help me learn and grow my career.

As an entry-level software developer, I have created a school management system that stores schools data. My attached resume gives evidence of my strong performance in my coursework.

Looking forward to hearing from you. Thank you for your consideration.

Best Regards,

Promise Nuwasasira
