Dear Sir/Madam,

RE: INQUIRY FOR AN ENTRY-LEVEL SOFTWARE DEVELOPMENT INTERNSHIP

I am an entry-level software developer. I am writing to you seeking an internship opportunity to accelerate my career in tech.

I have visited your website. I am impressed by the 2ambale products like making shopping easy for people to buy products online and being part of the team would help me learn and grow my career.

As a software developer, I have created a shopping site using Javascript that makes it . My attached resume gives evidence of my strong performance in my coursework.

Looking forward to hearing from you. Thank you for your consideration.

Best Regards,

Promise Nuwasasira
